

DrLanguage® Talking Cards

DrLanguage® Talking Cards enhance vocabulary growth, grammar use, and question comprehension through interactive Talking Cards that feature real-time sound wave and pitch visualizations. Combined with engaging matching or memory games, they help strengthen naming, sentence formulation, and expressive–receptive language skills.

System Overview

DrLanguage® Talking Cards consist of 5 modules:

The first module is **BIG Nouns 1**, which consists of the following parts: Animals, Around the Home, Clothing&Accessories, Food, and Occupations.

The second module is **Big Nouns 2**, which consists of the following parts: Transportation, Plants, School, Toys, and Places.

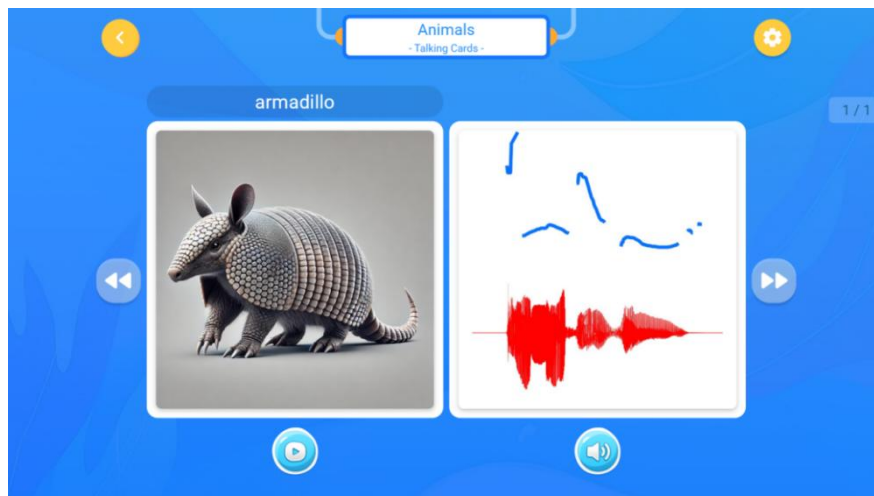

The third module is **BIG Verbs**, which consists of the following parts: Regular/Irregular Verb Tenses(Pixar and Realistic),

The fourth module is **BIG Words**, which consists of the following parts: Adjectives and Verbs.

The fifth module is **WH Questions**, which consists of the following parts: who, what, when, where, and why questions.

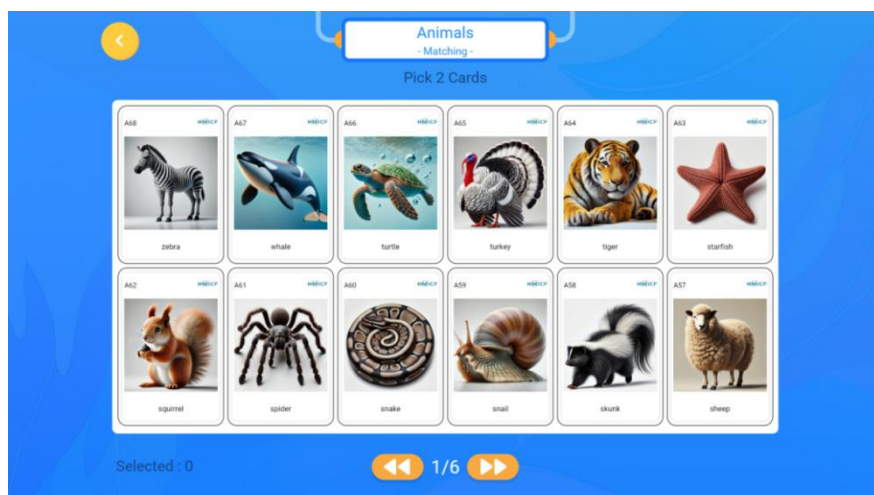

Features

1. Talking Cards: Each Talking card features a video and image on one side, with Pitch and Waveform displayed on the other.
